Dear Ms. Stiffler:

Item # AR-2007-10 (see email)

Wesco Insurance Company proposes to adopt NCCI's loss costs found in approval circular number AR-2007-13 without making any change to its current loss cost multiplier. I am sending a filing fee of \$50 made payable to "Arkansas Insurance Department". I have also enclosed a letter authorizing me to make filings on behalf of Wesco Insurance Company. Wesco proposes to adopt the loss costs effective 1/1/08.

I have enclosed two copies of this letter. Please return a copy with your "department stamp" in the self-addressed stamped envelope provided.

The Item Filing Number both companies (Technology and Wesco) wish to adopt is AR-2007-10. Sorry for the mistake.

It is okay to do it as a paper filing--although we really prefer SERFF. We are now tracking all paper filings by entering them into SERFF. I just didn't want to add it if it was already in SERFF.

However, there is a problem with the information you sent. This filing adopts Circular AR-2007-13 but does not state the Item Filing number which is often different than the Circular number. The Item Filing # is the unique number assigned by NCCI to an item filing. We do not receive circulars which are issued after the Item Filing is approved. Often Circulars and Item Filings have the same numbers but are not related to each other. We CANNOT accept the Circular number in lieu of the Item Filing Number. You must state the Item Filing Number. Email is acceptable.

Carol,

In the past, the Loss Cost Adoption filings (with no change to LCM) we've made for Technology and Wesco have consisted of a letter saying we are going to adopt with the filing fee. We mailed this filing as a paper filing since the check had to be mailed anyways and there was only one page to be mailed. Have the requirements for a Loss Cost Adoption filing in Arkansas changed, or is the letter sufficient to adopt? In the future, we can mail the filing fee and attach the letter (and other required documents, if needed) to a SERFF filing.

This filing was intended to be made as a paper filing. Shall we make these types of filings on SERFF from now on?

Thanks,
Kyle Babirad

Jim, we received a paper filing with the filing fee from you for these companies. We notice that Technology is making their filings via SERFF. Is this just a check for a SERFF filing or are you really making a paper filing?
